Treatments offered by Practitioner:

**MEDICAL CONSULTATION:** Dr Gartner will be available for consultations to discuss health issues, from digestion to chronic illness and how these can be remedied through lifestyle change and Mayr medicine.

---

**Profile:**

After completing his medical studies in Innsbruck and training to be a general practitioner, Dr Gartner specialised in holistic medicine, nutrition and physiotherapy along with acupuncture, and has since then practised the FX Mayr diagnostics method and therapy with great success.

Dr Gartner is a member of the Vienna International Academy for Holistic Medicine, as well as the Austrian Society for Certified Acupuncture (OGKA). For more than ten years, he was the director of a renowned health resort in Vorarlberg which also specialises in Mayr Medicine. Sought after as a speaker both in Austria and abroad, he continuously inspires people to take a closer interest in FX Mayr’s health concept and diagnostics.

**Qualifications:**

Dr Gartner was awarded a 'Doctor of Medicine' degree from Leopold Franzens University in Innsbruck. He then went on to gain an ÖÄK Diploma in Acupuncture and an ÖÄK Diploma in Integrative spa medicine. He completed training courses in Ozone Therapy, sports and exercise medicine, ultrasound diagnostics and trained as an emergency physician. Dr Gartner has since then become a certified Modern Mayr Medicine Physician and completed a Mayr-Prevent course with Bodo Werner in 2012. He has gained further diplomas in Austrian Medical Chamber (ÖÄK) and a diploma in Dr FX Mayr’s Diagnosis and Treatment.
